

# Lemon Lush

## Crust:

1 cup flour

1 stick margarine

½ cup chopped nuts

Mix and press into a 7½ X 11¾ inch baking dish. Bake about 20 minutes in a 350° oven until lightly browned.

While this cooks, blend together 1 (8 oz.) package cream cheese, 1 cup frozen whipped topping, thawed, and 1 cup powdered sugar. Spread over cooled crust. Mix together 2 (3 oz.) packages instant lemon pie filling and 3 cups milk, beating two minutes. Spread over above mixture. Top with enough whipped topping to cover. Sprinkle with more nuts, if desired. Refrigerate. Cut into squares.
