

White Chocolate Peanut Butter Fudge

Ingredients

16 Reese's Milk Chocolate Peanut Butter Cups
6 additional Peanut Butter Cups for topping
2 cups of white chocolate chips
1 cup of peanut butter chips
1 (14oz) can of sweetened condensed milk

Preparation

Line a 9x9 casserole dish with foil and spray lightly with cooking spray. Arrange your 16 PB Cups on the bottom. In a large saucepan, add white and peanut butter chips & sweetened condensed milk and heat over medium-low heat until all of the chocolate has melted. Once everything is well combined, immediately pour the chip/milk mixture over your peanut butter cups. Chop the remaining 6 peanut butter cups into smaller pieces and spread evenly over the top of the mixture and press down slightly. Let cool on the counter for a while and then cover with plastic and put in the fridge to cool completely. Once it's cooled in the fridge for a couple of hours you can slice it. Can also be frozen and stored.
